Dear friend in the Eternal truth

I am requested by our friends here to write to you respecting the Books & they are a little longer than we expected them, not that we are too impatient for them or in any degree think you neglect us but in your last letter to our friend W. Buxton you mention not having them in about fortnight the time expiring and not receiving them, we fear you are experiencing some trouble about them or that they are stop'd by the way therefore arrive from a little restlessness we know there is amongst the Base Builders (as the true Church of Christ here increases) and knowing their subtlety and the cunning they would feel judg'd by reason in the scriptures of Parable of the truth which upon our faith ^{is} ~~is~~

I am ^{not} ~~not~~ young in the faith but am ^{perfectly} ~~perfectly~~ of the truth of it Putting my whole trust in the alone Christ Jesus God Manifested in the flesh who paid out his Soul unto Death to redeem his own and through Adam and to raise all at the last day which will be a joyful one to those who have had the God of Abraham Isaac & Jacob to their Father

what a merciful God to require nothing from us but ^{to} love
one another and to yield obedience to his Divine Decree
What a blessed People and through his grace to receive faith
to give us a full assurance of Eternal life - All unite
with me in love to you W^m Frost and W^m Saw when
you see her -

Remainig Dear friend in the true Faith
